

Class Play To Open at North High

North High senior class will present "Take Her, She's Mine," Thursday and Friday evenings at 8 o'clock. Bob Kimzey, Kristi Gilson, and Joan Capucci are featured players. Tim Doty has been named student director of the production. A comedy, the play is about a Southern California girl who goes East to attend college and suddenly discovers boys. Linda Hemphill is stage manager and her crew includes MaryAnn Gerisch, house manager; Warren Karr, lighting; Chris Prichard, publicity; Lynda Walton and Carolyn Skenes, make up;

Sally Atkinson and Rianne Huskesson, hair stylists, and Sue Burin, properties. General admission is \$1 and tickets may be purchased at the door. Elementary school students will be admitted for 50 cents. Drama instructor Edward Nupoll is in charge of the production.

Seaman Recruit James L. Verity, USN, son of Mr. and Mrs. Leonard Verity of 21510 Talisman St., is undergoing nine weeks of basic training at the Naval Training Center in San Diego. He is receiving instructions in Naval customs, courtesies and organizations, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, ship-board drills and sentry duty.

Hahn to Oppose County Subsidies for Transit

Supervisor Kenneth Hahn this week said he is opposed to an allocation of any funds from county taxpayers for the Southern California Rapid Transit District. The Rapid Transit District Board of Directors is expected to ask both city and county government to subsidize its bus operation from property taxes for a total of \$4 million, Hahn declared. "The Rapid Transit District has spent millions of dollars on studies, surveys, and engineering reports over the last 10 years," Hahn said. "Recently the district's Board of Directors allocated an additional \$2,625,000 for engineering surveys."

Zoo to Enforce No Feeding Rule

A policy for non-feeding of animals was announced and put into effect this week by officials at the new Los Angeles Zoo, operated by the Los Angeles City Recreation and Parks Department. According to Dr. Nathan Gale, assistant director at the new 110-acre facility in Griffith Park, prohibition of feeding zoo exhibits is considered necessary by zoos in Europe and at least one other major U. S. zoo. Dr. Gale said that there are a number of reasons for non-feeding of zoo animals, including that fact that food items such as peanuts, vegetable leavings, and sugar offset the scientifically balanced diets developed by the zoo to maintain animals at their optimum physical condition.

AMONG THE 859 species in the new facility are extremely rare and irreplaceable animals such as Orangutans, monkey-eating eagles, Asiatic rhinoceros, giant anteaters and pairs of several species of wild equines. Dr. Gale cited the extreme value of some of these animals as an additional reason for the new zoo to extend maximum efforts for their care by adopting the non-feeding policy.

Cubs Note Holidays With Song

Yuletide Everywhere was the theme of the December meeting for Pack 586C, sponsored by the Calle Mayor PTA. Happy Cubs and families met in the school's cafeteria. The opening flag ceremony was led by Den 3 under the direction of Mrs. Nancy Baumgartner, Den Mother. The Cubs joined in a Parade of Gifts, placing a food item beneath the Christmas tree. These gifts will be given to the Headstart classes helped by the Calle Mayor PTA. Cubmaster Doug Nelson led the ceremony to install Douglas Martin to Den 2 and John Cotner to Den 4 as Bobcats. Nelson then awarded the following badges: To David Adams and Douglas Saylor a Wolf badge and gold arrow. Chris Nelson and Joe Vampola earned wolf badges. A Bear Badge with gold and silver arrow was presented to Dale Zinger. Dale Eikemeir was promoted to the Webelos Den and received a gold arrow for his Lion badge. Pins were awarded to Cubs Danny Fuller, Pete Donnelly, Robert Dunn, Bob Johnson, and Lynn Irvin for their two years in the Pack. Scout David Ferguson was announced as the new Den Chief for the Webelos Den. A Christmas program was presented during which each Den sang their favorite carol. The audience joined in to sing them a second time. To close the meeting, Den 4 under the direction of Mrs. Dorothy Frehse, Den Mother, sang We Wish You a Merry Christmas. They then announced the arrival of "Santas Helpers" with a gift package for each child present. Everyone adjourned for cookies and punch and a social time.

'Dankfest' Observed By Youths

Students of German from North High and Hawthorne High celebrated their annual "Dankfest" at the Switzerland Restaurant in Los Angeles. More than 100 students from the two high schools attended the event, which is called a "dankfest" because it always is celebrated the evening before Thanksgiving. Robert Grahmer, teacher of German at Hawthorne High, and his wife, Paula, a North High teacher, said the event is held so "students can experience authentic German food, music, and songs in a real Swiss-German atmosphere."
